DETAILED ACTION

Response to Election

1. The reply filed on October 28, 2002 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s):

In response to the Election of Species Requirement, applicant provisionally elected compound 37, disclosed in Example 312 on page 35. Applicant disclosed that claims 1, 4, 5, 8, 10, and 11 read on the elected species. Compound 37 does not have antecedent basis from independent claim 1. Specifically, the variables **E'** and **G** as described in claim 1 do not have corresponding moieties in compound 37. Applicant is required to provide further guidance as to the species elected as well as claims reading upon said elected species.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
